

SECTION 1 GEOGRAPHY

Use with Southwest Asia & North Africa Geography & History, Section 1.2, in your textbook.

1.2 Tigris and Euphrates Rivers

Reading and Note-Taking **Make Generalizations**

As you read about the Tigris and Euphrates rivers in Section 1.2, write details in the equation boxes below. Then "add up" the details and write a generalization.

Tigris River

Detail <i>1,180 miles long; carries more water than Euphrates</i>	+	Detail <i>fed by fast tributaries; water flow is unpredictable</i>	=	Generalization <i>This river can have major floods.</i>
--	---	---	---	--

Tigris River

Detail	+	Detail	=	Generalization
--------	---	--------	---	----------------

Euphrates River

Detail	+	Detail	=	Generalization
--------	---	--------	---	----------------

Fertile Crescent

Detail	+	Detail	=	Generalization
--------	---	--------	---	----------------
