SECTION 2 GOVERNMENT & ECONOMICS 2.5 Japan's Economic Future

Use with East Asia Today, Section 2.5, in your textbook.

Reading and Note-Taking Identify Problems and Solutions

Use the Problem-and-Solution Chart below as you read Section 2.5 to keep track of information about Japan's recent economic history and its outlook for the future. Are there solutions to Japan's long-term economic problems that would not cause economic damage in the short-term? Explain why or why not in the Solutions box.
